

DISTRICT WINERY

Corporate Event Activities

If you're looking to add a special element or team bonding experience to your corporate outing, consider incorporating one of the following options.

TRUE WINE DETECTIVE

A crash course on identifying wines with only the clues of sight, smell, and taste.

WINE GAMES

This activity combines everyone's favorite games into an event filled with trivia, blind wine tastings, and even a label making contest. Expect some fun competition as the winning team will take home District Winery wine.

BETTER WITH AGE: WINE & CHEESE WALKABOUT

This interactive wine exploration encourages guests to move about the space, learn about the subtleties of wine and cheese pairing, and engage with our knowledgeable staff.

BLIND PAIRING SOCIAL

Guests will use basic wine tasting skills to identify different varietals with the help of their colleagues. Each guest will need to seek out the right person in the crowd to complete their blind pairing and take home a prize!

BLENDING SESSION

Wine blending involves mixing different types of wine, which many wineries do to polish their wines before bottling. This is a hands-on activity that allows guests to interact and get to know each other.

PRIVATE LABEL WINES OR WINE FAVORS

The perfect pairing gift that brings the whole evening together. To customize your wine bottles, we'll take District Winery wine, bottle it, and label it with a custom label that we'll work with you to develop, featuring your branding, photos, or other images.
