

DISTRICT WINERY

Corporate Event Activities

If you're looking to add a special element or team bonding experience to your corporate outing, consider incorporating one of the following options.

TRUE WINE DETECTIVE

A crash course on identifying wines with only the clues of sight, smell, and taste.

WINE GAMES

This activity combines everyone's favorite games into an event filled with trivia, blind wine tastings, and even a label making contest. Expect some fun competition as the winning team will take home District Winery wine.

BLENDING SESSION

Wine blending involves mixing different types of wine, which many wineries do to polish their wines before bottling. This is a hands-on activity that allows guests to interact and get to know each other.

PRIVATE LABEL WINES OR WINE FAVORS

The perfect pairing gift that brings the whole evening together. To customize your wine bottles, we'll take District Winery wine, bottle it, and label it with a custom label that we'll work with you to develop, featuring your branding, photos, or other images.
